THE GUARDIAN ANGELS

ROLE MODEL ACADEMY

The Guardian Angels Education Alliance provides educators with professional seminars that teach highly effective methods to deal with children who bully.

In conjunction with these seminars, a second component, The Guardian Angels Role Model Academy, addresses the long-term problems of bullying in the school setting. The Academy provides ongoing reinforcement of the basic techniques taught in the seminars.

The Role Model Academy enlists both students and educators to form a positive, institutionalized response to bullying behavior. The Academy, like the one-day Anti-Bullying Seminar, is designed and taught by field professionals with both educational and real world skills.

ELEMENTS OF THE ROLE MODEL ACADEMY INCLUDE:

STUDENT ASSEMBLIES

INDIVIDUAL CLASSROOM AND SMALL GROUP DISCUSSIONS

STORYTELLING

VIDEO PRESENTATIONS

COMMITTEE PROJECTS

READING MATERIALS AND READING LISTS

ASSESSMENT AND EVALUATION

Contact The Guardian Angels Role Model Academy for more information, including documented results in the long-term reduction of bullying in the educational environment.
